PROGRAM FEATURES

The program runs from 21 May 2019 through 8 August 2019.

The program provides a \$2,500 per person stipend (up to \$7,500 per team), which will be paid in five installments, to full-time team members.

The program provides collaborative workspace at TechTown (440 Burroughs St., Detroit).

The program meets each Tuesday and Friday, as a cohort, typically for half-day sessions. Additional cohort sessions may be scheduled on an *ad hoc* basis.

The program is based on entrepreneurial concepts from the *Business Model Generation*, by Osterwalder and Pigneur that will be provided to you. Facilitator-led sessions will cover the concepts and entrepreneurial approaches of this text. A list of additional, recommended resources will also be provided.

The program also provides coaching and access to subject-matter experts.

The program offers an opportunity for qualifying teams to participate in the DTX Showcase, scheduled for 08 August 2019. The DTX Showcase provides the chance to meet potential supporters, including strategic partners, advisors and investors.
